

THEATRE HIRE

Our theatre is available for hire for amateur, community and professional shows, seating 399 people.

We have 5 additional rooms available for break away groups to carryout individual activities, including the hire of the theatre during daytime events. We also hire the Theatre Lounge for private events for up to 200 people. Full catering can also be provided.

BACKSTAGE AREA

Back stage the theatre consists of 1 stars dressing room, 2 large dressing rooms, 1 small dressing room, a scenery dock and a make-up bench.

The stars dressing room includes washing facilities. There is an active intercom system to contact the dressing rooms from the wings of the stage. This can also act as a prompt or cue devise for the performers. The stars dressing room includes washing facilities. There is an active intercom system to contact the dressing rooms from the wings of the stage. This can also act as a prompt or cue devise for the performers.
